2015 TOURNAMENTS

FOCUS ON YOUTH

BASS and the North OKC Bassmasters are dedicated America's youth and to the future of bass fishing and its resources. BASS developed the Bassmaster Casting Kids program in 1991.

Open to young people in two age groups, 7-10 and 11-14, the goals of this competition are to involve America's youth in fishing and to foster in each participant an appreciation and concern for our outdoors. Contests are held at annual boat and tackle shows and at other venues during the year.

OKC Junior Bassmasters

We sponsor the OKC Junior Bassmasters where kids ages 11 through 18 get a chance to learn about bass fishing, compete in their own tournaments, and participate in conservation activities.

The Junior Chapter meets at 6:30 pm the first Tuesday night of each month at a location TBD.

Ask us about the new B.A.S.S. High School fishing.
